Club MiniLuxe Terms & Conditions

MiniLuxe offers club MiniLuxe as our way of showing appreciation for the loyalty of our guests, by awarding them points based on the amount of their purchases, and allowing such guests to redeem those points for rewards that can be used to obtain discounts on future purchases of regularly priced MiniLuxe retail products. Club MiniLuxe is available only to guests when they register to become members ("Members") of Club MiniLuxe, and it is only accessible to registered Members. In order to register for Club MiniLuxe, you must complete a registration form that includes your name, postal and email addresses, a password, telephone and cell phone numbers and opt-in. Club MiniLuxe is not available to MiniLuxe employees.

Once they are registered for Club MiniLuxe, Members will be awarded one point for every \$10 spent on services or retail at MiniLuxe. Points are not awarded for purchases of gift cards. Promotional/bonus points may be awarded from time to time to Members, as a way to reward individual Members for specific behavior, and such points awards are not governed by rules of chance. MiniLuxe reserves the right to offer different amounts of promotional/bonus points to different Members based on their historical patterns of purchasing and Club MiniLuxe point accumulation.

Club MiniLuxe points have no monetary value and are not redeemable for cash. Point values and promotional offers are subject to adjustment by MiniLuxe at any time, and MiniLuxe reserves the right to cancel Club MiniLuxe at any time.
