MiniLuxe Party Policies (the not-so-fun part)

Thanks for booking your event with us! **Once we receive your signed contract, we will confirm your reservation and guarantee your appointments.**

Nobody Likes Getting Stood Up

Especially our technicians! **We require at least 48 hours notice for any cancellations or downgrades to your reservation.** In the event of a missed appointment, a tardy guest or a last minute downgrade, we will charge 50% of the service total to the credit card on file. If you need to cancel your appointments, you must speak directly to a MiniLuxe reservationist.

Timing is Everything

We tend to find that our party guests like to hang out and chat a bit before they sit down for services. We encourage you to ask your guests to arrive 15-20 minutes early to allow for some quality time and indecision over our large assortment of polish colors!

Please keep in mind that the service time and price cannot be adjusted for late arrivals.

Charge!

On the day of your event, all of your guests may pay separately for their services. **Please note that gratuity is NOT included and must be paid with cash or check.** We recommend a 20% gratuity. The only time we will charge the credit card on file is for missed appointments based on our 48 hour cancellation policy.

Cocktails and Dreams

Unfortunately, we can't serve cocktails and snacks in the salon unless it is a private event. It's a state regulation thing – not a MiniLuxe policy! We can recommend fabulous bars and restaurants that would happily accommodate you pre and post pampering.

Private Events

The majority of the time, the store will remain open during your event. If you are interested in closing the store for a private party, please contact us for more information.
