PEDICURIST SHAYNA SHIRAZI

MINILUXE, 296 NEWBURY ST., BOSTON, 857-362-7444, AND OTHER LOCATIONS, MINILUXE.COM

Meet the sweet-as-pie Shirazi and you might assume she's merely another perfectly nice toe polisher. How wrong you'd be: This woman whips feet into the best shape of their lives. She goes to town on calluses and doesn't shy away from any blister, bump, or hangnail (all while showing a commendable hygiene obsessiveness). Plus, her polish applications last for weeks and can even stand up to the beach. Hey, we always *knew* we had pretty feet underneath it all.

RUNNER-UP: **JEANNE LEE (JEANNE LEE SALON)**
